

TCA EXECUTIVE EDUCATION

University of Oxford & University of Cambridge Faculty

Short Course Portfolio · Executive & Senior Leadership Programmes · UAE Delivery

No	Course	Duration	Overview	Audience
01	Workplace Safety Compliance	1–2 Days	Translate safety regulations into business-ready compliance systems that protect people and operations.	Senior Managers, Compliance Leaders, Operations Heads
02	Certified Lifting Engineer	2–3 Days	Master high-risk lifting operations with engineering precision, strategic planning and load control.	Project Leaders, Engineering Managers
03	Certified Safety Practitioner	3–5 Days	Build enterprise-level safety leadership capability with globally portable credentials.	Senior HSE Professionals, Department Heads
04	Scaffolding Supervision	2 Days	Ensure structural safety and regulatory compliance in elevated and at-height work environments.	Site Leaders, Construction Supervisors
05	Accident & Incident Investigation	2–3 Days	Go beyond incidents — uncover systemic failures and prevent recurrence through root cause analysis.	Executives, Auditors, Senior Managers
06	Construction HSE Leadership	3 Days	Lead safety strategy across complex construction ecosystems and multi-contractor environments.	Project Directors, Construction Executives
07	COSHH – Hazardous Substances	1–2 Days	Identify, assess and control hazardous substance risks that impact long-term health and legal liability.	Operations Leaders, Facility Managers
08	Disaster & Emergency Leadership	2–3 Days	Lead decisively when systems fail — crisis command, BCP and executive emergency decision-making.	Executives, Crisis Leaders
09	Environmental & Sustainability (ISO 14001)	2–3 Days	Turn environmental compliance into strategic ESG advantage aligned to UAE and global regulation.	Executives, ESG Leaders
10	Fire Safety Principles	1 Day	Prevent, control and respond to fire risks effectively within leadership and facility management contexts.	Facility Leaders, Managers
11	First Aid at Work	1–2 Days	Equip leaders with life-saving immediate response skills — because preparedness starts at the top.	All Leadership Levels
12	Hazardous Waste & Emergency Response	2–3 Days	Manage hazardous waste and emergency containment without operational or reputational risk exposure.	Environmental & Operations Leaders
13	IMS Internal Auditor (ISO 45001)	3 Days	Conduct internal audits that drive performance improvement, not just regulatory tick-boxes.	Managers, Compliance Leaders
14	Management of Change (MOC)	2 Days	Control risk in every stage of organisational change — strategic, operational and procedural.	Executives, Senior Managers
15	Risk Assessment Techniques	2 Days	Apply structured risk thinking to drive smarter business and operational decisions at leadership level.	Leaders, Decision-Makers

No	Course	Duration	Overview	Audience
16	Process Safety – Oil & Gas	3 Days	Prevent catastrophic failures in high-risk energy environments through systems-based safety leadership.	Energy Sector Executives, Engineers
17	Corporate Security Management	2–3 Days	Secure the enterprise against modern threats in a complex geopolitical and operational risk landscape.	Executives, Security & Risk Leaders

CPD UK Continuing Professional Development	CMI Chartered Management Institute	AACSB Assoc. to Advance Collegiate Schools of Business	Advance HE Academic Leadership – Higher Education (UK)
